THANK YOU

for choosing Stahl Vision for your LASIK procedure.

We want you to know what to expect before, during and after your procedure and have provided this booklet to help you prepare. You will need to refer to this information, so please keep it at hand.

PREPARING FOR YOUR PROCEDURE

Your procedure is scheduled for (approx 2 hours)
(DRIVER NEEDED): _____

Arrival time will be set the day before surgery and texted to you.

Your one day post-op appointment is on
(approx 35-45 mins) (DRIVER NEEDED): _____

- Dr. Stahl will see his post-ops Friday morning between the times of 7:15 - 8:00 AM (walk-in).
- Dr. Knowles will see his post-ops on Saturday morning at 9:00 AM.

Your one week post-op appointment is:
(approx 1 hour) _____ at _____ AM / PM

Your ten week post-op appointment is:
(approx 1 hour) _____ at _____ AM / PM

Start these instructions 7 days prior to your procedure:

- No contact lens wearing.
- Fill the **YELLOW** and **BLUE** eye drop prescriptions at a pharmacy of your choosing.
- Take oral flaxseed oil capsules (1000mg) twice a day (found wherever you do your normal shopping).
- Start non-preserved artificial tears (individual vials ONLY) **ONE** drop, per eye, 4 times daily starting until procedure. (Breakfast, Lunch, Dinner, and Bedtime)
NO BOTTLED TEARS!! Approved list: Refresh, Refresh Plus, Refresh Optive, Systane Ultra, or Theratears.
DO NOT use Refresh Optive ADVANCED, Refresh Optive Mega-3, or ANY bottled tears!
- APPLY FOR FINANCING prior to surgery day. DO NOT wait until surgery day!**
www.CareCredit.com

The day BEFORE your procedure:

- Begin **ONLY** the antibiotic drop (Zymaxid, Vigamox, Gatifloxacin, or Moxifloxacin) **ONE** drop, per eye, 4 times today (Breakfast, Lunch, Dinner, and Bedtime)
- Continue using artificial tears.
- Read your consent forms.
- Contact your bank to remove fraud alerts/raise transactional limits. Your card will decline for anything over \$1500 (even if it is an HSA).
- Clean eyelids/eyelashes the night before your surgery using one of your eyelid scrubs. No make-up once starting lid scrub.

ON THE DAY of your procedure BEFORE YOU LEAVE HOME:

- Continue taking all of your regular medications unless specifically instructed otherwise.
- Clean eyelids/eyelashes thoroughly using one of your lid scrubs.
- Do not use antibiotic drop prior to arrival.
- Continue artificial tears.
- Do not wear makeup, moisturizers, perfume/cologne.
- Eat a light meal before the procedure.
- Wear comfortable clothing and low heeled shoes. No fuzzy fleeces, sweaters, or anything that sheds fibers. Preferably no hoodies or dresses.
- Expect to be at our office for two hours.

BRING THESE ITEMS WITH YOU TO YOUR PROCEDURE:

- Your prescription eye drops
- Your scheduling folder that includes your aftercare guide, consents and quote card.
- Payment
- Driver

PEACE
of mind promise

Peace of mind is a beautiful thing, especially when it comes to your vision. At Stahl Vision you're in good hands with surgeons who personally take interest in you. **We guarantee that you will receive the most advanced LASIK technology, the most experienced surgeons in the area, and a professional staff who will be there every step of the way.** With this promise you can be assured that everything that's important to you, is important to us and we do it all for just one reason... your peace of mind.

PRICE MATCH ASSURANCE

We understand that you want an experienced surgeon, highest quality care and the most advanced technology, all at a great value. We're so confident that Stahl Vision is the best choice for CustomVision LASIK, that we will match the price of any local provider using the same technology.*

*Some restrictions apply. Must show written price quote from a local provider using same technology.
